

Making changes to your account details

As part of the application process NEV Water will obtain and store fixed information regarding your account. This will include

- Mailing address which may differ from your NEV residential address
- Telephone contacts
- Email address which will be used for billing processes and for other regular updates.

If for any reason you need to make changes to your standard account details please complete [NEV Water Customer Details form](#) and email your requested changes to water@nararaecovillage.com.
