

# Application for Connection to NEV Water Network

This application form must be completed and approved prior to making a connection to any network infrastructure for which NEV Water is the Licensee under the Water Industry Competition Act (2006). All network connections must be approved by NEV Water prior to it being made.

If approved, this application does not absolve owners, builders, developers or any other party, from complying with obligations they are required to meet under any other codes or standards, development application, or any statutory or regulatory requirements.

All applications must be accompanied by a copy of the NSW Fair Trading Notice of Work for Plumbing and Drainage Works.

Within 21 days of the connection being made, a NSW Fair Trading Certificate of Compliance for Plumbing and Drainage, and a copy of the Sewer Service Diagram for the work must be supplied to NEV Water for our records.

Please note a charge will be made for the cost of the connection and to supply the water meter. This will be invoiced to you at the complete of the connection.

For further information, please contact NEV Water on (02) 4328 1588 or email NEV Water on [water@nararaecovillage.com](mailto:water@nararaecovillage.com).

Please complete and sign the form and return to NEV Water on [water@nararaecovillage.com](mailto:water@nararaecovillage.com).
